FRESH AIR ZONE

LIGHT DUTY OZONE OXIDATION GENERATOR

The FreshAir Zone utilizes adjustable, controlled corona discharge ozone for substantial reduction of odors and visible smoke. The FreshAir Zone is a fully self contained, portable, light-weight powerful ozone generator built for remediation and maintenance where undesirable odors and smoke are persistent or need to be controlled. A rugged aluminum case, carrying handle, and low maintenance increase durability and ease of use. Covers up to 3,000 square feet.

BENEFITS OF FRESHAIR ZONE

- Removal of odors, visible smoke and microbials on surfaces in residential, light industrial, or commercial applications
- Ideal for removal of light to moderate chemical and pet odors
- Will give a newly vacated piece of real estate a "fresh" smell, facilitating a quick sale
